Good morning Jennifer,

Here are the call scripts for the new campaigns and their corresponding room names and system numbers. Do you have any specific point-to numbers that you would like us to use for each campaign?

Thank you,
Brittany

The Obama administration issued a directive under ObamaCare that requires religious organizations and/or their health insurance carriers to provide contraception, sterilization and abortion-inducing drugs to employees. The Catholic Conference of Bishops and other Protestant organizations have complained that this directive violates their religious liberty and right of conscience because it forces religious organizations to act contrary to their religious beliefs. Do you believe this new directive violates the religious freedom of religious organizations?

Press 1 for Yes

Press 2 for No

Do you think President Obama should completely remove the requirement for religious organizations to provide contraceptives, sterilization and abortion-inducing drugs?
